Reference: July Quarterly Report (4/1/03 - 6/30/03)

Dear Mr. Chambers:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-On Schedule D-P of your report, you failed to provide the purpose for all itemized debts. Federal Election Commission (FEC) regulations require that you disclose the purpose for each expenditure or debt made by your committee to a person/vendor in which the aggregate amount of payments made to that person/vendor exceeds \$200 for the election cycle. Please amend Schedule D-P of your report to include the missing information. (11 CFR 104.3(b)(4))

-The Commission notes the redesignation or reattribution of several contributions. Please amend your report to disclose the proper format for redesignations or reattributions. The redesignation or reattribution should be disclosed on the report which covers the date when the redesignation or reattribution was made. You should not amend the report covering the period that the contribution was originally received. The first entry must disclose, as a memo entry, the information for the contribution as it was originally reported; the second entry must disclose, as a memo entry, the

information as it has been redesignated or reattributed, including the date the redesignation or reattribution was made. (11 CFR §104.8(d)(2), (3), and (4)) Please refer to the Campaign Guide for Congressional Candidates and Committees for further guidance on how to report redesignations and reattributions.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or my local number (202) 694-1154.

Sincerely,
